

AV8 Helicopter Expo 2026

Saturday August 22, 9am-4pm

AV8 Flight School is proud to announce the 6th Annual Helicopter Expo Day, a community event to learn about the aircraft and talk about all things non-fixed wing! This free event will be held **Saturday August 22, 2026, from 9am-4pm, at AV8 Flight School, Flying Cloud Airport KFCM** and is open to anyone interested in learning more about the exciting world of rotary aircraft. We'll have a variety of airframes available to tour, and their pilots will be present to answer questions regarding these awesome flying machines. All ages and all levels of interest welcome!

Professional participants:

AV8: Guimbal Cabri G2, Robinson R44

Bell Helicopters: Bell 505

MN State Troopers: Bell 407 or Bell 429

Life Link III: AgustaWestland AW119

North Memorial: Airbus H135

MN DNR: MD500

Personal aircraft:

Bell 206

Airbus EC120

Robinson R44

Robinson R66

Schweizer 269

Additionally, displays will include Eden Prairie Police, Metropolitan Mosquito Control District, Prairie Air Inc. and more.

Just curious about helicopters and rotary flight? Join us and explore! Have questions on Helicopter training or adding on to your current certificate? AV8 is the only combined airplane and helicopter training facility in Minnesota. Our instructors will be on hand to answer any questions to get you flying! Follow signs for parking and facility entrance. Helicopter and pilot presence subject to availability, posted schedules may change.
